

## Parent Resources

Keeping your child engaged through a consistent daily learning schedule can be very helpful. Create a supportive at-home learning environment which will make the switch to learning at home a more seamless one.

The good news is that there are many engaging and fun ways to learn at home. We invite you to explore this collection of tips and resources to help with your adventure in this new normal.

- ❖ [AdaptiveWorksheets.com](https://www.adaptiveworksheets.com) provides printable worksheets. Some samples are free, and there is a charge for membership. [www.adaptiveworksheets.com/free.html](https://www.adaptiveworksheets.com/free.html)
