5 Ways to Stay Engaged

1

Learn how to express your child's needs and request services through the IEP or 504 plan.

2

Establish an effective communication system with your child's teachers.

3

Get to know the members of your child's IEP or 504 Team.

4

Work with the IEP or 504 Team to make sure your child's plan is followed properly.

5

Talk with your child about his or her school day.
